Forfar Bathrooms

Distinctly Different

Our guarantees cover our products for normal domestic use, they cover the material structure of the product against manufacturing defects for the guarantee period stated and are only applicable in the UK and ROI and are subject to certain exclusions and terms & conditions, which does not affect your statutory rights. They do not cover: non domestic use, failure to install correctly, fair wear and tear, electrical failure, moving parts which are likely to perish over time (such as rubber seals), neglect or misuse.

Throughout this brochure all measurements are given in millimetres. Every effort has been made to ensure the accuracy of all information in this publication, however all measurements should only be used as a guide and final checks made before purchase. We must also reserve the right to amend details, prices and specification without notice. Whilst we have endeavoured to maintain accuracy throughout this publication all images are for illustration purposes only and are subject to change. Colour reproduction is as accurate as current printing methods allow. E&OE

pisa slate effect shower trays

These low profile 25mm deep shower trays are made from a natural stone resin with a gel coat slate textured finish, providing anti-bacterial properties and a grade 3 anti-slip rating. If required they can be cut to size using a diamond cutting wheel and although they are extemely tough, should they become damaged a repair kit is also available.

shower trays

elegante slimline double skinned acrylic cast stone shower trays

For the ultimate in minimalist chic, Elegante shower trays are sleek and ultra slim, creating a contemporary feel for any bathroom. At only 25mm high they can be fitted on or flush to the floor, giving all the benefits of a wetroom but without the costly installation. The discreet integrated waste cover is both aesthetically pleasing and highly functional.

ACRYLIC CAPPED ABS for strength and rigidity - Precision mouldings encapsulate a highly rigid polyconcrete substrate to produce a highly engineered composite tray

- Minimalist design
- High gloss acrylic surface with antibacterial hygienic properties
- EN14527:2006 class 1 compliant
- EN 15720:2009 compliant
- 90mm waste outlet
- Modern square chrome flush fitting waste cover

All prices include VAT.

wetrooms

A low profile shower base installed in a suspended timber floor

a total wetroom solution

Our shower bases, wall and floor boards, seating and furniture are all made from high grade extruded polystyrene (XPS) which has been coated with a special polymer modified cement into which is bonded a fibre glass mesh. The result is a strong, totally waterproof, thermally insulating, incredibly lightweight and easy to cut material that is transforming wetroom design.

Wetroom Trays with Offset Drain

10

a. 1000 x 1000 x 20	12853	**£264**

Wetroom Drains

10

Our Wetroom Drain Kits come complete with a high quality, laser cut, stainless steel grate as standard. This drain kit must be used with our Wetroom Trays.

Horizontal outlet
12866 **£125**

Vertical outlet
12867 **£125**

Wetroom Waterproofing Kit

10

Use to seal all joints and corners of your wetroom area. This kit includes a primer for timber floors, to use before any adhesive, and a waterproofing paste for walls and floors not covered by our Waterproof Thermal Boards.

8m² coverage (extra fixings will be required for larger wetrooms)
Includes: 7.5kg waterproofing membrane, 10m sealing tape, 2 x internal corners, 1 litre premixed primer

12873 **£147**

Waterproof Thermal Wetroom Boards

To create a truly peace-of-mind wetroom or walk-in shower we strongly recommend lining your walls and floor with our Waterproof Thermal Boards. These can be secured to studwork using our Board Washers or solid walls using our Board Fix Adhesive.

		Per board
1200 x 600 x 6	12859	**£18**

concealed valves

A flexible showering solution, concealed valve packages can be configured with different components depending on your preference.

Choose one of the packages overleaf or design your own bespoke solution from the valves and components on pages 88-93.

Valves are available 1, 2 or 3 way and which one you pick depends on the number of components you want to use.

So first choose the valve that meets this requirement and then add your components, you can choose from shower heads, handsets, slide rail kits, bath spouts & bath fillers.

All our showers come with a three year guarantee

All prices include VAT.

simply air

super-strong
ACRYLIC

Revitalise. Refresh. Relax. Simply Air is an experience that stimulates the body and the mind. Using warm air, it gently massages the whole body, creating total relaxation and total rejuvenation – Simply.

Simply Waves – A new level of rejuvenation. Using simply air, this clever feature increases and decreases the pressure, to allow total relaxation to wash over your body.

Simply Cleaned – The automatic cleaning function simply blows excess air and water out of the system – ready for the next use.

Simply Configured – Creating the ultimate therapy, each hole is strategically placed to create maximum impact for every individual bath.

Simply Controlled – With two buttons for On/Off, Wave and Speed.

Simply Warm – With a built in 250 watt heater, to keep your bath warmer longer.

Simply Strong – All Simply air baths come with super-strong ACRYLIC as standard.

Simply Air baths can take up to 4 weeks from the date of order

introducing...

super-strong ACRYLIC

super-strong ACRYLIC has many benefits over standard acrylic. Made using the latest materials and techniques it produces a bath that is as strong as cast iron but is warmer to the touch and retains heat longer than a standard bath.

Most of our acrylic baths are available with super-strong ACRYLIC.
The extra strength of our super-strong ACRYLIC makes it ideal for use in a shower bath where the weight is concentrated at one end, this puts extra strain on the structure of the bath but with super-strong ACRYLIC the bath remains strong and rigid.

All our baths come with a twenty five year guarantee

underfloor heating

underfloor heating

Electric underfloor heating is the ideal addition to any floor tile. Safe to use in the bathroom, our systems can be controlled with a simple multi-function LCD control panel with six programmable functions.

Underfloor Heating Loose Cable (150w/m² at 75mm spacings)

25

Length	Area Covered	Heat Output	Code	Price
26m	1.5 – 2.5m²	300w	17086	£136
41m	2.25 – 3.75m²	450w	17087	£159
54m	3.0 – 5.0m²	600w	17088	£209
68m	3.75 – 6.25m²	750w	17089	£263

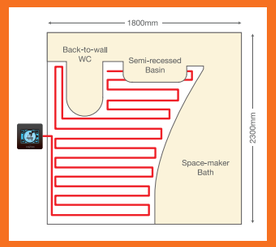
Calculating the Length of Loose Cable Required

Bathroom size:

2300mm x 1800mm = 4.14m²

Taking out the bathroom furniture leaves 1.73m²
Order the 26m Cable kit.

Add the thermostat of your choice.



Underfloor Heating Mat System (150w/m²)

25

Size	Heat Output	Code	Price
1m²	150w	15585	£102
1.5m²	225w	22813	£146
2m²	300w	13255	£174

lighting

FLEXile LED Strip

IP68.
The clever design of the FLEXile LED strip allows it to bend around tight curves.
The strip offers a solid colour with no visible LED points.The strip can be cut every 20mm, end caps must be applied to the cut end to maintain the IP rating.
